# 90 Monkeys Logistics Information

#### **VENUE:**

## 90 Monkeys

2516 Broadway Street Suite 300 Boulder, CO 80304 http://www.90monkeys.com

#### **ABOUT BOULDER:**

Boulder is located in the foothills of the Rocky Mountains, 35 miles northwest of Denver. Boulder sits 5,430 feet above sea level and is surrounded by a wonderful greenbelt with 120 miles of trails, open space and parks. The entire region is an outdoor enthusiast's paradise, as it offers an abundance of hiking, cycling, rock climbing, skiing and almost any other outdoor activity you can think of. Boulder is definitely known for its natural beauty, outdoor recreation, natural product retailers, restaurants, outstanding transportation options, diverse businesses, and technological and academic resources.

One of the most popular sections of Boulder is the famous Pearl Street Mall, home to numerous

shops and restaurants. This four-block pedestrian mall is a social hotspot in Boulder, with dozens of restaurants of all kinds and specialty stores that include artisan shops and unique gadget shops. In the summer and on weekends, many street shows and acts can be found throughout the mall, along with street vendors and henna tattoo artists.

No matter the time of year or the day of the week, the Boulder events calendar has something fun going on. Boulder venues come in all shapes and sizes, indoors and outdoors.

While visiting Boulder be sure to drink plenty of water, especially if you've come from sea level. With Boulder's high elevation (5400 feet) and low humidity, it's easy to get dehydrated. We recommend adding liquid chlorophyll to your water to help with the altitude.

#### TRANSPORTATION:

By Plane – Denver International Airport (DIA), 1 hour from Boulder

There are both buses and taxis within Boulder. You may also take the Boulder Super Shuttle for door-to-door service from DIA to Boulder accommodations (303) 227-0000. Another great option is taking an <u>Uber car</u>, which usually costs between \$75-\$100 from DIA to Boulder.

**Public Transportation** – All major bus routes are accessible.

**Once in Boulder** – Boulder Bicycle Bike Share Program for getting around town: <a href="http://boulder.bcycle.com/">http://boulder.bcycle.com/</a> or bike rentals through Boulder Cycle Sport: <a href="http://bouldercyclesport.com/">http://bouldercyclesport.com/</a>

#### **HOMESTAY ACCOMODATIONS:**

We strongly recommend using the service, Airbnb.com to find a month-long homestay in Boulder at a bulk rate. One such listing is with our friend and fellow yoga teacher, Dakota Hills: <a href="https://www.airbnb.com/rooms/2350919">https://www.airbnb.com/rooms/2350919</a>. It will go fast so reserve now!

We can also connect local students who can host yogis with out of town students. Please email <a href="mailto:amy@90monkeys.com">amy@90monkeys.com</a> if you need assistance.

## **WEATHER:**

Colorado in general has unpredictable weather. Be prepared for shorts and t-shirt weather and also be prepared for unpredictable mountain weather. In general, we have mild weather, but we strongly suggest as we lead up to the event, checking such websites like <a href="https://www.wunderground.com">www.weather.com</a> for a more accurate forecast as you plan for your trip.

### COOL THINGS TO DO NEARBY OUR SCHOOL:

#### **Boulder and Nearby**
